

THIRD SECTOR

THERE ARE A WIDE RANGE OF CAREERS IN THE THIRD SECTOR THAT ARE OPEN TO GRADUATES FROM ANY DISCIPLINE, WITH A DIVERSE RANGE OF SKILLS REQUIRED.

The charitable sector welcomes applicants who have found their connection to the cause, and are willing to show their commitment and professionalism in making a difference. It's useful to note that small charities comprise 97% of the overall charity and voluntary work sector.

Further information on typical roles, employers and sector trends can be found at:
